Sir,

I have the honour to submit herewith a copy of the Vice President's Memo. dated the 16th Ultimo, pointing out the necessity for including the Sunkanahalli Village to the West of the Basavangudi Extension within the Bangalore City limits and of the Council's Resolution dated the 27th Idem, approving the proposal.

2. On every occasion of outbreak of an epidemic in the village, the health of the Basavangudi Extension is endangered, and in the interests of sanitation, the inclusion of the said village within the Municipal limits seems to be necessary and may be sanctioned.

I have the honour to be

Sir,

Your most obedient servant,

For President.

M E M O.

The Village of Sunkanahalli which is outside the City Municipal limits stands in the immediate vicinity of the Basavangudi Extension-separated only by a road This village is kept in a most insanitary condition, with the result that it has become a hot-bed of epidemics such as Cholera, Small-pox and Plague-the yearly visitation of which into the village has become more general of late than exceptional.

The existence of the hamlet so near to the Extension in such an unhealthy state cannot but be a danger to the Extension. No sooner an epidemic visits the village than it spreads at once into the Extension, as a goodly number of residents of the village are employed in the Basavangudi Extension as servants-male and female There is, besides, constant communication between the two, as the villagers bring milk and other articles of food to the Extension daily for sale

It is therefore imperatively necessary, in the interests of the Extension, that the Sunkanahalli Village should be included within the City Municipal limits

The question is placed before the Council for opinion
